## Journal Descriptions and 2017 Rates

JSTOR sets the agency discount rate for all electronic and electronic plus print orders.

The MAA offers a 3% agency discount off the rates below on all print only orders.

<i>The American Mathematical Monthly</i>	<i>The College Mathematics Journal</i>	<i>Mathematics Magazine</i>	<i>Math Horizons</i>	<b>Order all 4 journals and save 10%.</b>
Ten Issues Yearly Print ISSN 0002-9890 Online ISSN 1930-0972	Five Issues Yearly Print ISSN 0746-8342 Online ISSN 1931-1346	Five Issues Yearly Print ISSN 0025-570X Online ISSN 1930-0980	Four Issues Academic year Print ISSN 1072-4117 Online ISSN 1947-6213	<b>This discount applies only to electronic only orders.</b>
This is the most widely read expository journal of collegiate mathematics in the world. Lively articles elucidate and provide fresh perspective on mathematics and the profession. Short notes for classroom use, telegraphic book reviews, and a challenging problems and solutions section are among its popular features.	Contains a wealth of material for all who are interested in undergraduate mathematics in the first two years. The journal features interviews and articles on history, philosophy, problem solving, applications, computer related mathematics, Student Research Projects, Classroom Capsules, Media Highlights, book reviews, and problems and solutions.	Designed for both experts and newcomers to the field of college mathematics. Articles on the history of mathematics, mathematical problems, book reviews, and articles that show the relationship between various branches of mathematics are frequent features of the <i>Magazine</i> .	This is the magazine for all students in the mathematical sciences; yet, teachers and other professionals also enjoy it. It provides contemporary insights into mathematics and its applications, as well as career information for math majors. <i>Math Horizons</i> features profiles of prominent mathematicians, historical articles, book reviews, problems and solutions, puzzles, and cartoons.	<p><i>The American Mathematical Monthly</i> Ten Issues Yearly Online ISSN 1930-0972</p> <p><i>The College Mathematics Journal</i> Five Issues Yearly Online ISSN 1931-1346</p> <p><i>Mathematics Magazine</i> Five Issues Yearly Online ISSN 1930-0980</p> <p><i>Math Horizons</i> Four Issues Online ISSN 1947-6213</p>
